

GROWING AND LEARNING TOGETHER..... TO BE THE BEST YOU CAN BE!

Inspire, Challenge, Engage, Enjoy

Our vision is to encourage all of our school community, to be the best they can be, by providing an irresistible curriculum that encourages children to be inspired, challenge themselves and others, to fully engage and to enjoy their learning both inside and outdoors

We will create an ethos where:

- Everyone will feel included, nurtured, safe and valued, no child left behind.
- We will strive for the highest possible standards
- High quality **inclusive learning** is at the heart of all we do
- Children will learn how to become life-long learners and responsible citizens

We will provide opportunities for children to:

- Experience a rich, relevant, broad and balanced curriculum **to acquire appropriate disciplinary and substantive knowledge**
- Inspire, challenge, engage, enjoy
- Learn and apply essential skills
- Become prepared to lead a healthy and fulfilling life

We will achieve this by:

- Putting children first - at the heart of all we do
- Committing to strive for the highest standards
- Developing learners through our RANGERS skills and the Ranger Rules
- Planning quality experiences for all, utilising our grounds, woodland and outdoor areas as well as the indoor classroom
- Fostering excellent relationships based on respect and understanding
- Personalising the learning experience based on the children's needs
